About Company

INNOTEK is more than a company; it's a family. Founded by professionals with over 40 years of experience in multinational industries, we believe in creating value in every action—whether for products, clients, partners, or employees.

Our product range includes slides, hinges, handles, connectors, and more, with plans to establish manufacturing bases and logistics centers across India. We aim to create a healthy ecosystem for residential and commercial hardware.

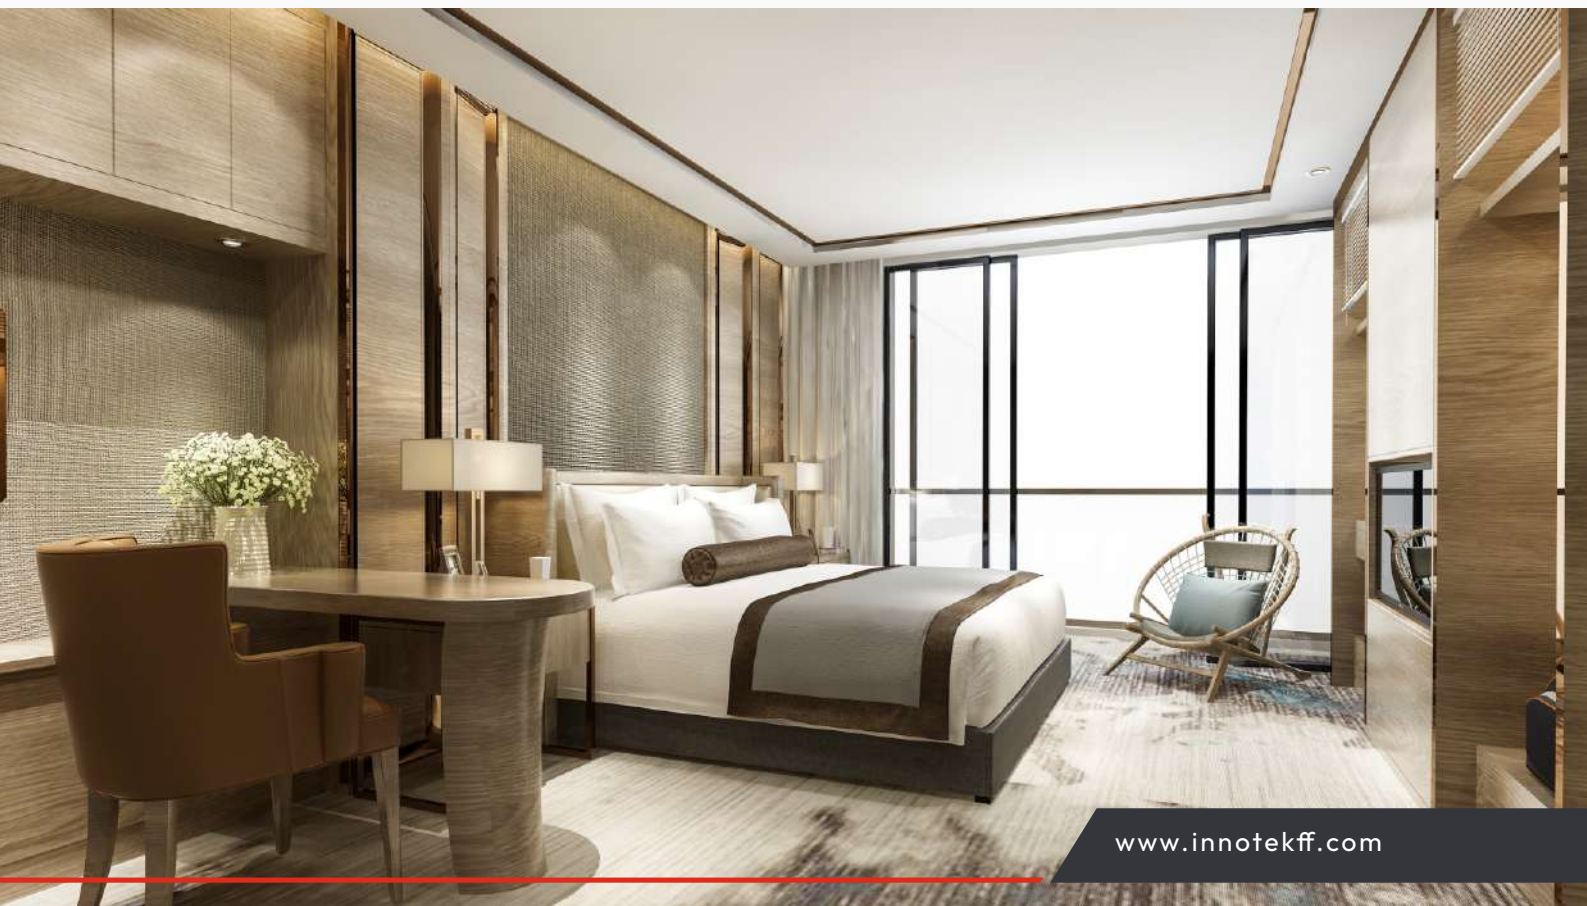

Innotek is set to establish 10 functional departments and a 1,000 SqFt experience center in major cities. Our state-of-the-art manufacturing center will feature advanced R&D labs, and we will integrate ERP and CRM systems to enhance service delivery.

Core Values:

We prioritize people, cooperation, and respect. Our commitment to entrepreneurship and mutual benefit drives our sustainable development efforts.
